My mates *by Nisha*

This is a picture of me with my friends Ella, Jesse and Malick. That's me in the middle¹. In the photo I'm really happy. Why? Because I'm with my friends!

Ella and Jesse are my best friends. They're very different. Ella is happy all the time. She's really friendly and outgoing². She's a bit noisy and the teachers tell her off³. But she's always⁴ polite and she's a good student. Her favourite singer is Jasmine Thompson.

Jesse's quiet. She's a bit serious⁵ but she's cool too. She loves animals and her dog Flynn is always with her. The boys in our class are mean⁶ to Jesse because she's shy. They're not nice.

Not all the boys in my class are mean. Malick's nice. He's my friend. His English isn't very good because he's from Senegal but he's really interesting. His favourite thing is swimming⁷. He's really fast. And he's really good-looking too!

What about you? Who are your best friends? Where are they from? Are they shy or outgoing? Why are they your friends?
